Fond Farewells and New Beginnings

The Yearbook Staff dedicates the 2006 Rebel to Dr. Frank Sambuceti. The High School is especially grateful to Dr. Sambuceti for his service and leadership over the past ten years to the entire Walpole High School community. Like the Class of 2006, Dr. Sambuceti is poised to take on a new and exciting future as he leaves Walpole, and we as the yearbook staff wish him a fond farewell.

This yearbook staff wishes you, the Class of 2006, and Dr. Sambuceti the best of luck in all that you do.

The eternal impact I take from Walpole High does not lie within the school itself, but within the people who I shared life with the past four years. Walking away leaves me torn from memories I never want to lose, but I will undoubtedly look back and smile at the time I've spent here. I love you all. And to think, this is merely the beginning. Imagine what is left to come.

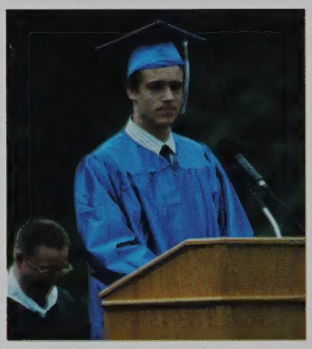
Class of 2006 Graduates on June 4th at 1:00pm on Turco Field

Despite light rain, all whom marched recieved their diplomas.

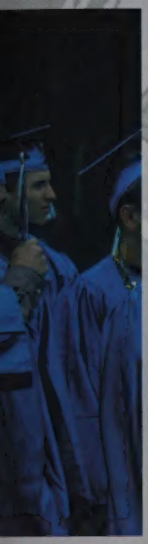
Valedictorian Erin Groden



Salutatorian Olivier Van Houtte

Class President John DeNapoli

Class Valedictorian Erin Groden asked of her classmates that they place under scrutiny how to view success. She reminded the class that although chosen to speak, she really knows very little about the future ahead. "But each and every one of us is going to go out next year, whether onto further education or into the workforce, and go through serious culture-shock, which is exactly what we all need. We need to realize that there is such a big world outside of Walpole. No matter what we've done or taken part in at Walpole High School, we should be grateful for those experiences, but we can't let them be the high point in our lives. We don't want to find ourselves in our later years of life still wishing we were on the high school lacrosse field or the tennis court or in the art room or on stage or on the yearbook committee. While it is so important to remember where we come from and where we have been, we can't let these be our glory years. Instead, have a life full of glory years." Salutatorian Olivier Van Houtte mirrored much of Groden's speech. "..it is also important to go beyond what we know and what we are familiar with and reach out to new experiences. It can be as simple as trying a new kind of food or it can range as far as living in a different country. However we choose to do it, I think we all need to experience life to the fullest."



Class President John DeNapoli remarked on the career of Dr. Sambuceti at Walpole High School and presented the class gift, a scholarship in the name of Dr. Sambuceti. " I can think of no gift more appropriate to recognize and remember our principal than a scholarship which will help those who need it and award those who have earned it,for this was Dr. Sambuceti's goal,to always help a student in need and to facilitate the transition into the life after leaving the familiar walls of Walpole High School." John also asked his classmates to "take a look around,stop and consider the incredible journey that is now coming to an end and all those who have helped guide us during all the ups and downs,our principal,our parents,our teachers andour friends. And now as we prepare for our next great adventure, we leave much behind, but from it we take much with us and, again remember, we are not alone so as we face our exciting, but uncertain future, as a great leader once said, "Let us go forward together."

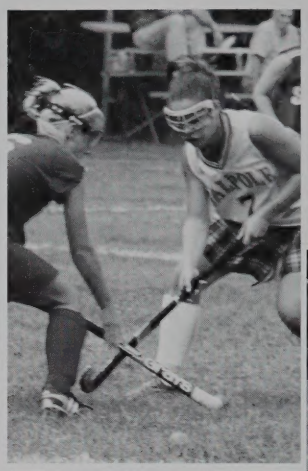
2005 Porker Field Hockey

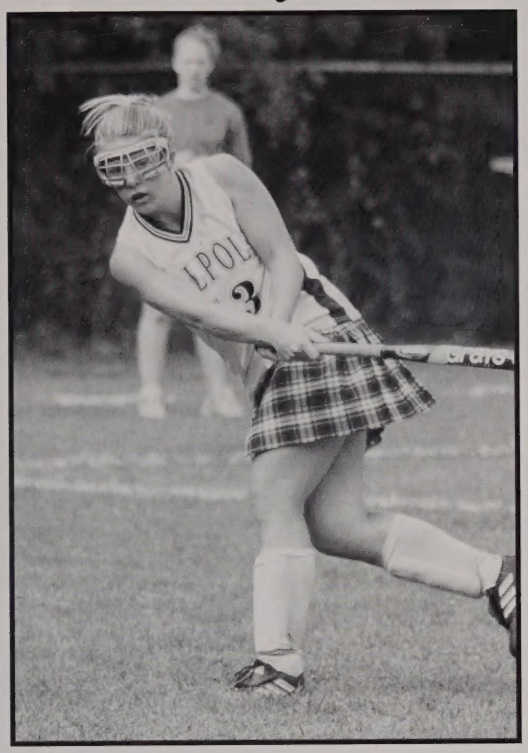


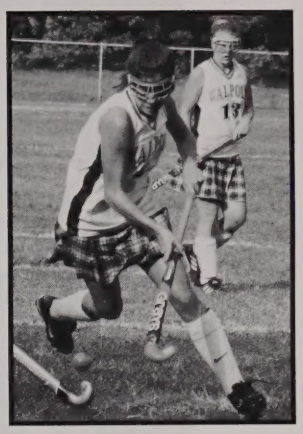
Remaining true to their reputation, this year's team was 21-2 in one of the toughest leagues around the state. It was led by a group of seniors who have been playing varsity since their freshman year. Senior leadership is always a key factor when playing in tight games, and these seniors proved that they could take this team back to the promise land.

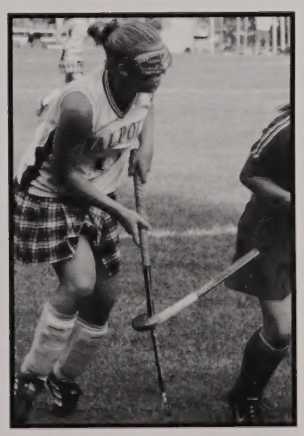
2005 South Sectional Champions

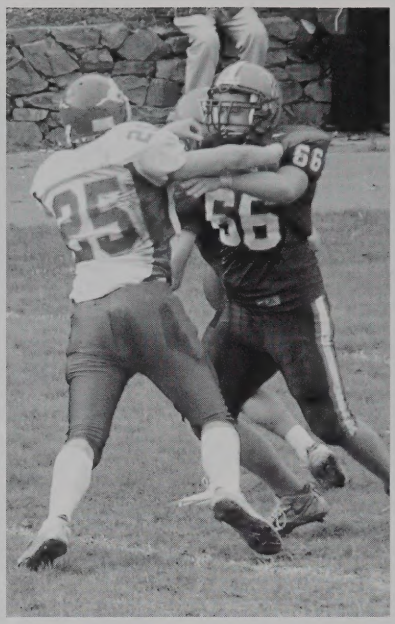
The Porkers started the year out on a tear, winning their first ten games with ease against a conference schedule that may other towns would be afraid to play. Week in and week out, players stepped into their roles and got the job done.

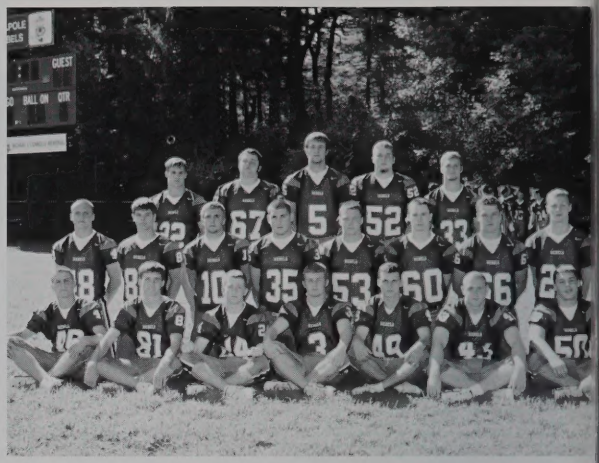
Field Hockey











Another Great Year for the Gridiron

This season was one of the finest to date. Obliterated by injuries throughout the season, the Rebels overcame adversity and won ten games, most of which by a large margin. They flirted with the scoring record at Walpole High, and outscored their opponents by a total of 369-108. The defense as well, was a nightmare for opposing offensive coordinators considering opposing offenses averaged 9.8 points per game. Stopping teams in their tracks and giving the offense great field position became routine as the season proceeded. The "D" was captained by senior Mike Cuqua, who had the most tackles and acted as a second defensive coordinator to the Rebs.

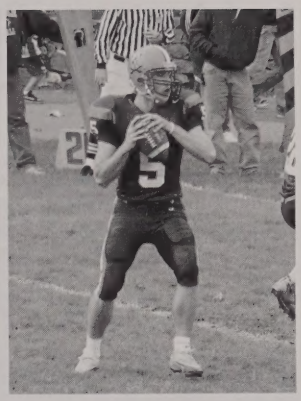
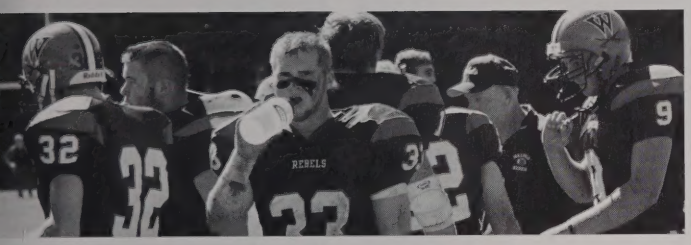
Captains: Alex Dulski, Mike Cuqua, Andrew Denehy, Bob Norberg, and Jason Comeau

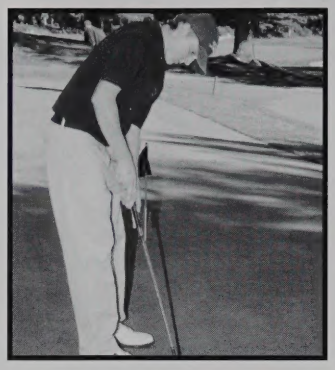
2005 Football

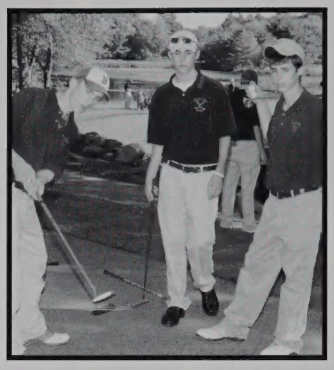




After last season's battle on the links, the Rebels felt very confident coming into the 2005 campaign. The only loss they are suffering from is that of a phenomenal coach, Todd Simeon.

This year the Rebels feel that there is still room to improve and hope to be standing at the top of the Bay State League at the end of the season.



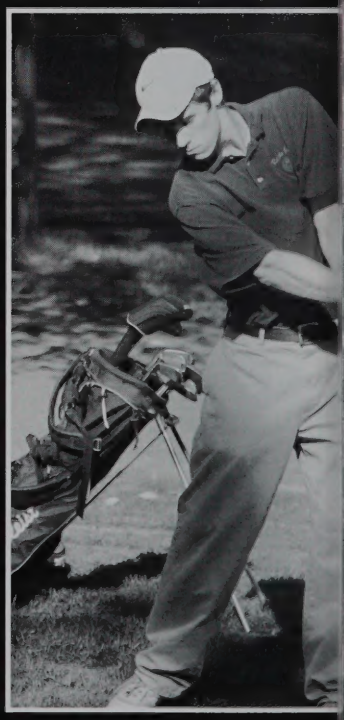


Golf

This past fall was a season full of good weather, sunny days, and a whole lot of golf for the Walpole Rebels Golf team. Led by Chris Hawley, this team put on a show for the folks of Walpole Country Club, posting an impressive 12-4 record. This squad also fared well in the state tournament with the top 6 players on Walpole advancing to the state tournament. Hawley, a player who has been a star since he started playing in his freshman year,

(Above) Two opponents showing respect as they shake hands.

posted ridiculous scores this year and will continue his career in the college ranks next year. The other two captains of this squad were Matt Mazzola and Tom Collins. Mazzola is an all around golf guru, a man with a drive off the tee thats nicer than a cadillac and who is capable of knocking his short iron shots stiff. Collins is the force on the team, with a long ball that would sit up in the ranks with that of Woods, Els and Singh. This squad played under a new coach, Jim Butler. Butler got his squad off to a hot start, going 9-1 in their first 10 matches which put them on top.



2005 Golf Team

The Walpole High Golf Team has seen a burst of success in the past 4-5 years. They hope to continue this success and bring in another title.

Along with the three captains, Walpole had a lot of depth with players like Mike Dedrick, Tim Matthews, Jared Anzlovar and Chris Johnson, stepping in to launch missiles off the tee and playing very well around the green. In a game that is based on etiquette, these men were first class. Walpole showed its opponents respect day in and day out, but they weren't afraid to express their joy on some days. The team's laid back attitude is what kept the team in check this year.

Volleyball

After beating Norwood, Walpole had to prepare for two games that would prove to be the most difficult of the season. These critical games would be against Wellesley who is number one in the Rebels division and the Aggie who are champions of the Mayflower Division. The Rebels came together to pull off the biggest upset of the season beating the Wellesley Raiders 3-2. The Norfolk Aggie Rams' only loss was to the Rebels nearly one month earlier. Now the team could feel the tension building as they came to the one team standing in their way of their season's goal.

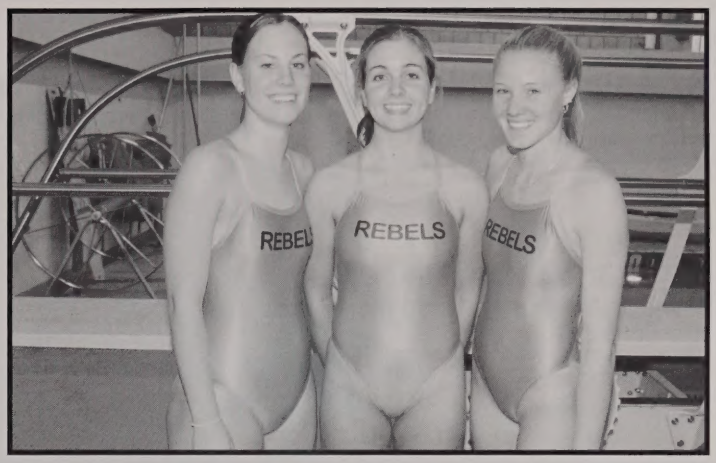
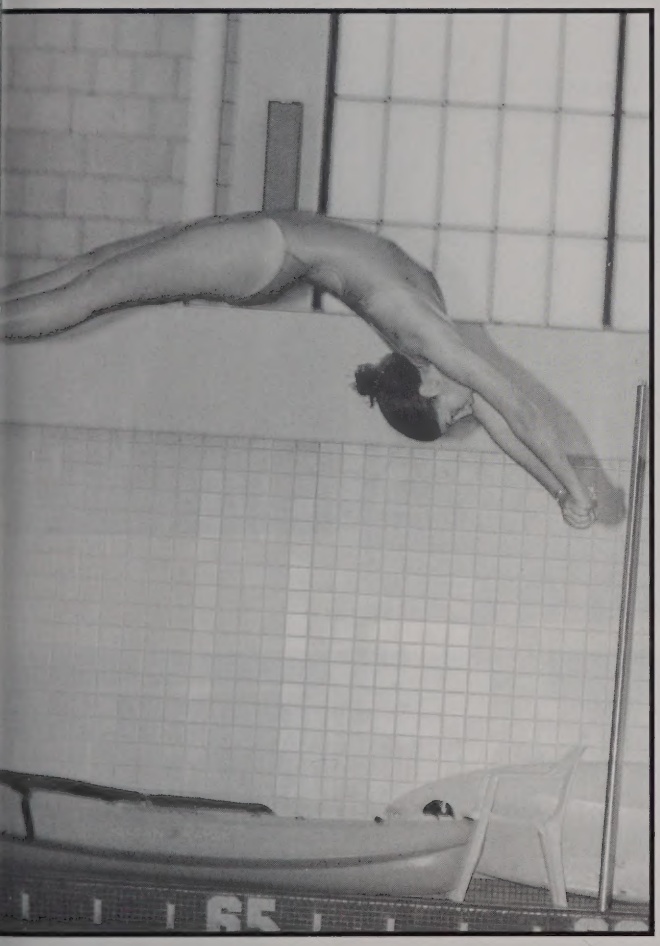
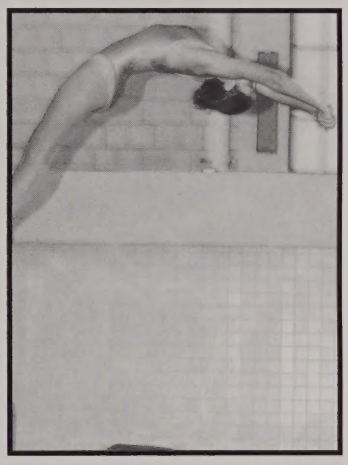
2005 Swimming and Diving Team

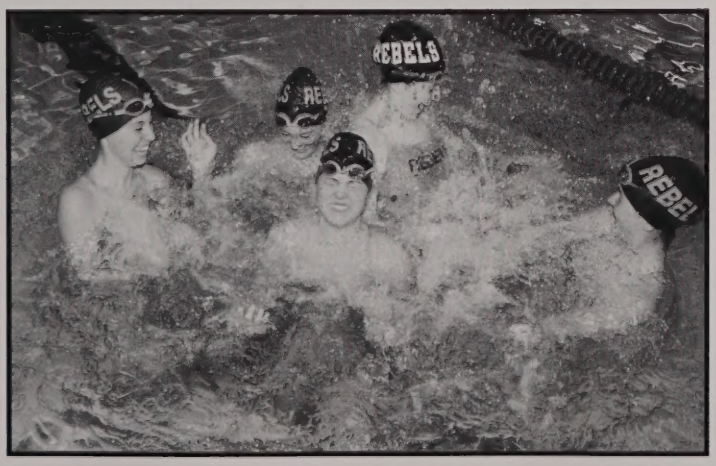
There are many strong swimmers on the team, the success of the Rebels is not entirely dependent on just the key swimmers. As Cavanaugh says, "Every single person on the team has a huge impact." It is not about just the few great swimmers on the team but the entire team pulling together.



REBELS
REBELS
REBELS



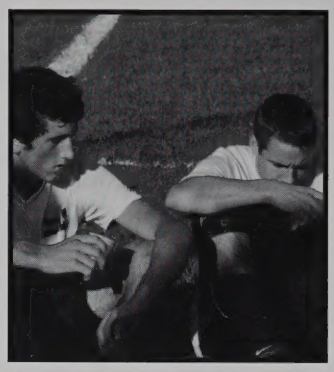


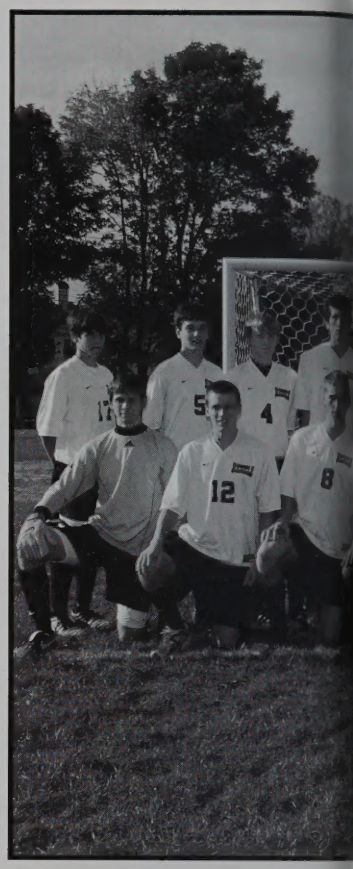


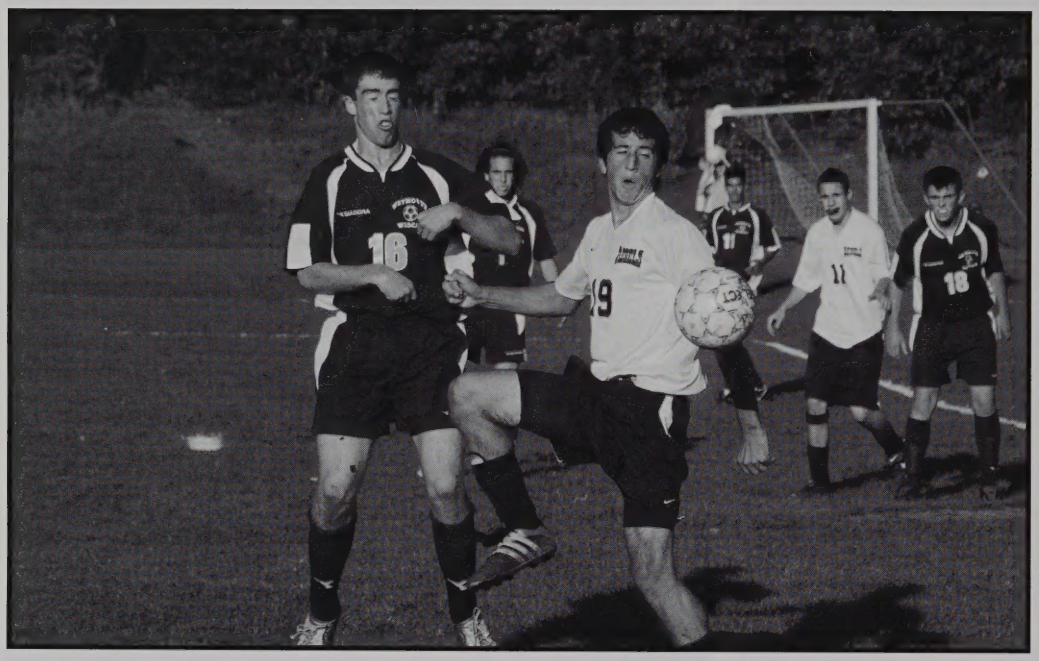
REBELS

The chemistry on this team is phenomenal. Together, the Rebels act as one unit, and everyone always seems to be on the same page.

The Rebels also entered this season in tremendous shape in large part due to the intense off-season workouts and captains practices all summer.







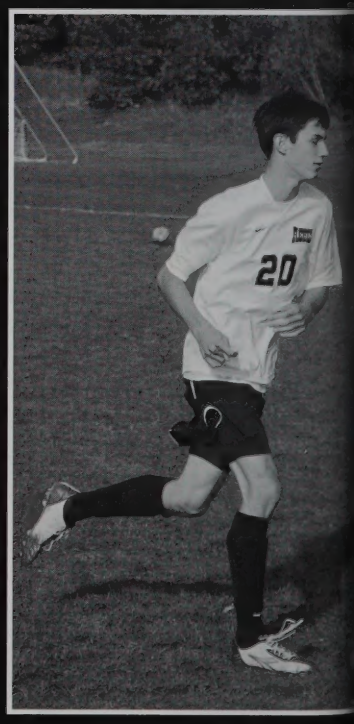
Boys Soccer

It was a glorious afternoon for the Rebel Boys Soccer Team, as they engaged in a heated battle against their Bay State League rival the Wellesley Raiders on Thursday, October 27. The Rebels were kept in the game by strong defensive plays from junior Mark Gallivan and senior Craig Weeden. The Rebels thwarted a strong Wellesley attack, and kept the game scoreless with a miraculous diving save by senior Adam Bradbury late in the first half.

Rebels play hard and look to win.

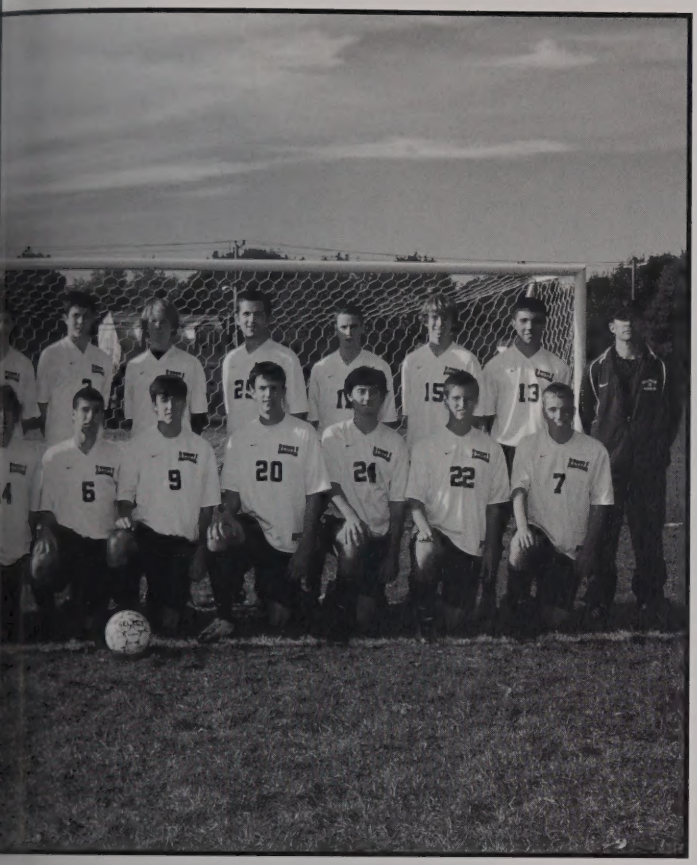
Bradbury, in his first year as starting goalie has stepped up for the Rebels all season.

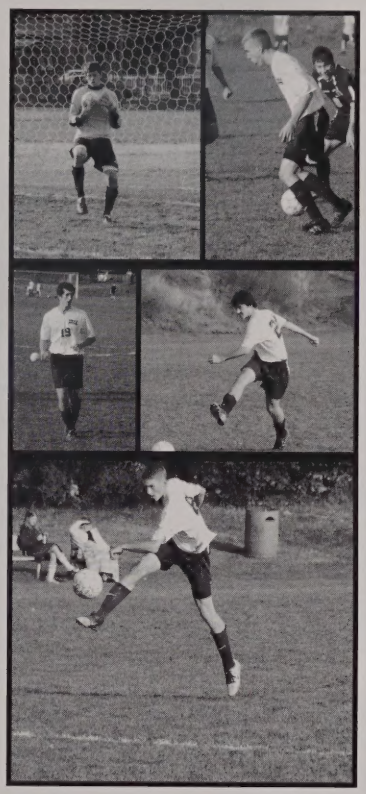
"Adam has been awesome, wicked awesome," said junior captain Mike Lipsett. The second half was just as intense as the first, and the Rebels finally broke the scoreless tie as Mike Lipsett tapped the ball back to his cousin Steve, who fired a beautiful shot straight into the left corner of the net. This proved to be the game winner, as the Rebels shut out the Raiders with their strong physical play on defense.



2005 Boys Soccer

The Rebels roster was an interesting mix of young and experienced players, many of whom had never played together before.





This year the team did not have one star player, but rather a collection of very good players who played together. Senior captain Steve Lipsett was the fiery leader, who helped the Rebels play with an overall intensity that was critical to their success. Other key players, such as golden shoed Greg Zanello, and senior Will Capozzoli made important contributions to the success of the team. Another bright spot for the Rebels was the emergence of young players. Davis Butts, Nick Mucciarone, and Mike Freiberger were all freshmen who played key roles on the varsity squad. Also, Dean Cohn stepped up and had a big season for the Rebels.

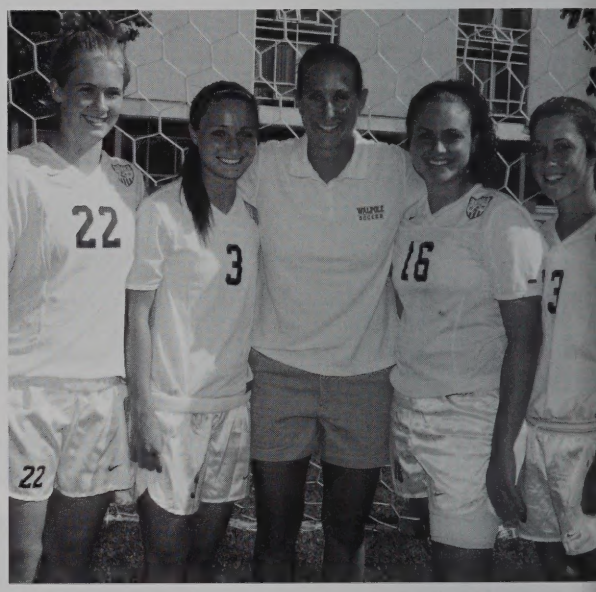
Rebels Girls Soccer

It was a successful season for the girls' soccer team, as the Rebels became one of only three teams at Walpole High to make the MIAA state playoffs. The Rebels were determined to prove to everybody after a disapointment in the 2004 season that they were a competitive soccer team. And they did just that. Senior captains Katie Mucciarone and Melissa Anello helped lead the team to a 9-9 tournament bound season. In the season opener, the girls showed everybody they were out to make a statement with a 4-3 win against Marian in a non-league game. The girls followed that non-league win with sixteen consecutive Bay State League games.



Determination, Strength, and Teamwork helped lead to a successful season for the Lady Rebels Soccer Team. Coached by Stacy Bilodeau.

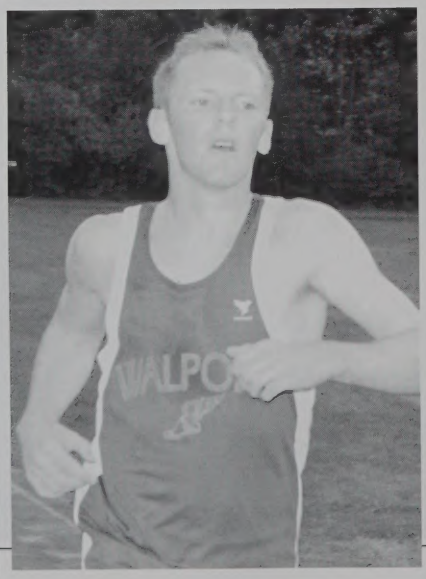
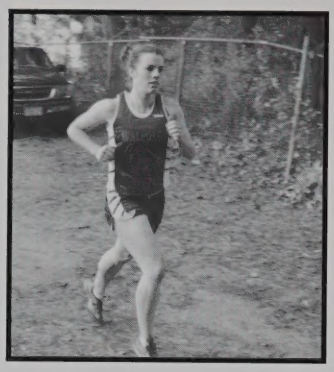
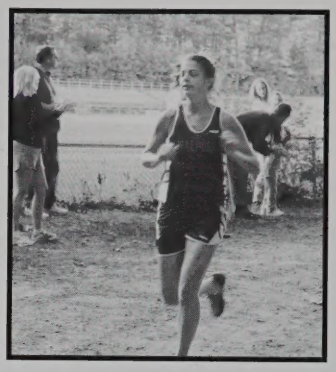
2006 Boys Cross Country



Giblin was amenable with the outcome of the girls and impressed by their performance. "Eckart and McDonough did very well this season as well as Annie Desmond."

"I was pleased with how we did at the league meet and it was very satisfying to sweep the meet against Braintree." -Tim Giblin





Girls Cross Country

What do you get when you mix dedicated coaching, determined running talent, and a tradition of strong effort throughout the season? Walpole Girls Cross Country of course! The Girls Cross Country team finished off their season with a respectable 5-6 record. The team concluded strong in the post season finishing 5th in their conference meet. Four year varsity captains Brianne McDonough and All League All Star captain Nicole Eckart,

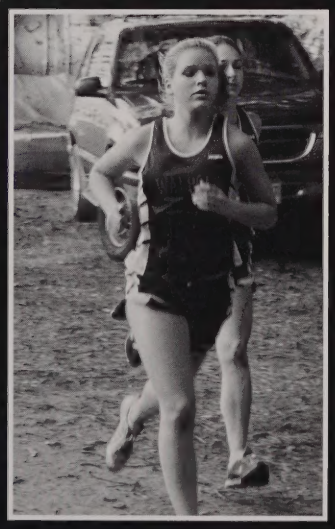
(Above) Coach Tim Giblin, along with senior captains, Nicole Eckart and Brianne McDonough and team mate.

helped lead the girls cross-country team, a group of determined and talented runners worthy of respect from all adversaries. With notable wins against Norwood, Brookline, and Braintree, the girls gesticulated their determination to be the best and it showed, especially in the postseason. McDounough was pleased with the season but focuses on next year. Eckart was also satisfied with the outcome of the season. "I thought we did better this season than last because of the new talent from the newcomers and freshmen."

2005 Girls Cross-Country

"This year we put a lot of hard effort in. But next year, the girls should achieve a better record."-Brianne McDonough

As well as the girls did this season, Coach Giblin realizes that like the boys, the girls need to add depth to the team with more runners who could likely score points for the team next year. With the graduation of Eckart and McDonough, girls cross-country will have a power pack consisting of Griffin, Desmond, and Wiseman. Unfortunately, the team needs more runners to progress to fill the void that will arise next year. Those runners will be responsible for scoring vital points the team will need to edge out other teams for the win during races. If the team has a solid network of talented runners with many to fill any point gaps, then the girls' cross-country can strive for indomitability next year.



Leadership at its best.

Cheerleading

Cheerleading is a sport that involve dedication, hard work, discipline, an leadership. This sport does not consis solely of cheering at football an basketball games but also includes rigorous schedule of competitions. Th role of cheerleading at Walpole Hig is "the same as any other sport, Coach Courtney Sauliner said. The are expected to compete well, to stic to routines, and to be spirited. I addition to cheerleading competition "we are one of the biggest supports o the football players," added Sara Wickham. The cheerleaders serve a school leaders.

Coach Courtney with Captains Judy and Sarah

2005-2006 Rebel Cheerleaders

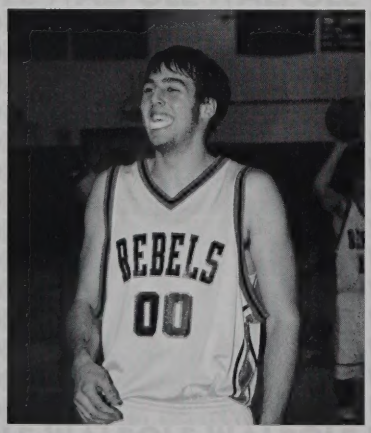
The Walpole High School Cheerleaders have participated in three competitions this school year. The first two were the Newton North Invitational and the Baystate League in Braintree, followed by Regionals held at Taunton High School on November 13. As first time competitors in the Newton North Invitational, they finished first, ahead of Bishop Feehan and Auburn, with a score of 87.5 out of 100. Veterans of the Baystate League competition held annually in the fall and winter, the squad finished first in Division Two.

The winter cheerleaders provide great entertainment to the crowds at the basketball games. They are also a tremendous support to the team!

The high flying stunts and pyramids are what sets the cheerleaders apart from the rest!

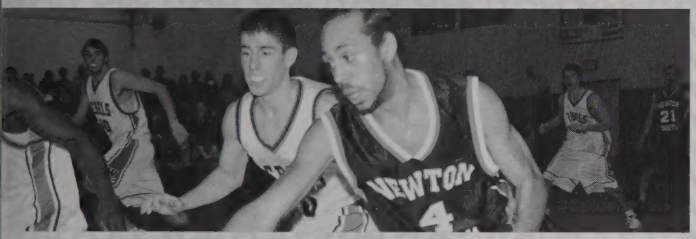
On January 9, the Rebels faced Dedham and gave the Bay State powerhouse the game of a lifetime. Viewing Walpole as a potential blowout game, Dedham was in for a rude awakening.

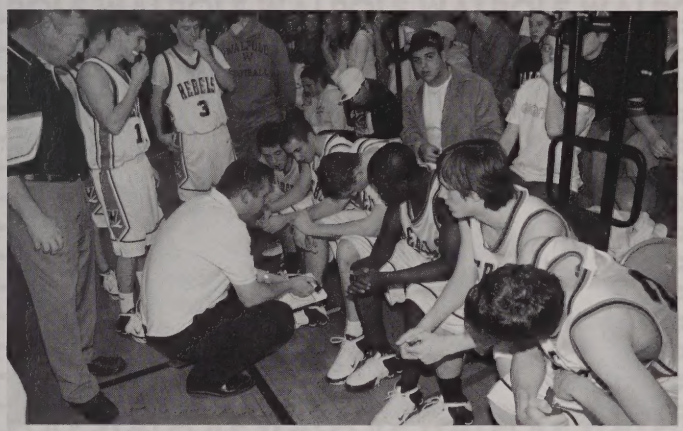
Boys Basketball



Although this was not the season Rebel hoop fans had hoped for, there is a bright future for boys basketball. Seniors Joe Crehan and Alex Smith led the team this year. This year built a foundation for a promising future.

Boys Basketball





Girls Basketball

Over the past four years, the girls' basketball team has brought pride to the Rebel name. They gained three Bay State Conference Herget Division championships, two South Sectionals and one state title. This success has kept Walpole's legacy alive, and is largely due to the core of six seniors that have dominated the court from as far back as 2002. The three captains Keri Murphy, Caitlan Johnson and Molly Thorton have each spent four years at the varsity level, gaining both talent and leadership with each year. The other seniors on the team, Tye Tate, Lauren Menno, and Melissa Anello add to the intense skill level that sets the Rebels apart from other towns.

Rebels look to score!

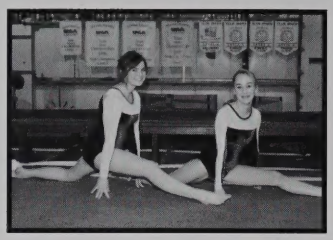
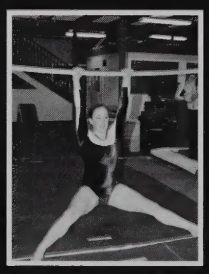
The main participants on the floor are Katie Debler, Kim Richard, Shawna Richardson and sophomore Jess Lewis.



Bars are led by Debler, Richard, junior Sam Cofsky, Jackie Rando, and sophomore Julie Moise.

Gymnastics

The Rebels' Gymnastics Team is well on its way to another solid season with a current record of 2-2. After a rough first week when the team lost to both Braintree and Needham, things are starting to look up. Early on the gymnasts were having difficulties adjusting to the new tactics and strategies of first year head coach, Ms. Jessica Schneider. However, since then the team has regrouped and now finds themselves in good postition to win.

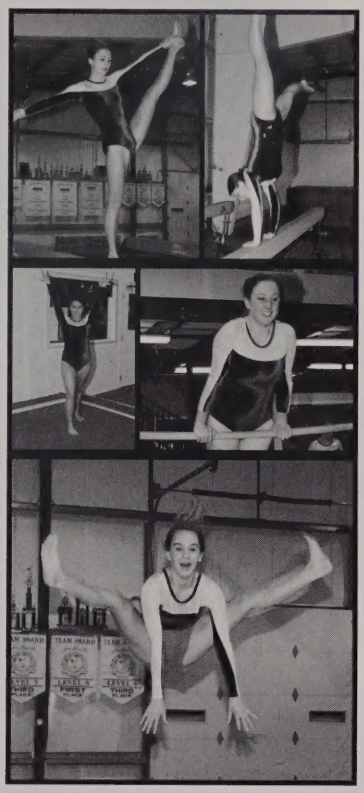


Leadership, skill, and drive to succeed are three things that motivates these girls.

With the anticipation of Bay State League competition, the athletes are working non-stop to improve and to increase their chance of success. The coach credits the great senior leadership combined with strong abilities of the young freshmen for the improvement in their performances. Led by senior captains Katie Debler and Kim Richard, new members Elissa DeNapoli and Jackie Rando, and sophomore Shawna Richardson have displayed new skills which will make large contributions to the team.

2006 Gymnastics Team

On the beam the chief competitors are Debler, Cofsky, Lewis, Richardson, and junior Katie Jung.



So far Coach Schneider is extremely pleased with the girls' performances. She feels that they have improved greatly since she has begun working with them, and she believes that if they continue to work hard, they will have a successful season. The team faced their toughest competition, Needham and Braintree, at the beginning of the season, and they have learned from their mistakes. Since then the team has continuously improved its scores, and Schneider feels that the key to the season is to "improve their skills, keep practicing and stay positive."

Wrestling

The Rebel Wrestlers are at it again, and while their 4-5-1 record is not exactly sparkling, the team has shown vast improvement, with many wrestlers poised to make some noise when the time comes for the sectional meet. The wrestling program has been steadily on the rise, and the team earned its first Bay State League win over the rival Marauders of Dedham. The Rebels turned in some of their best performances of the year, as they fought their way to a convincing 48-24 win. What is truly remarkable about the wrestling team is that they continue to be competitive without the aid of a single senior.

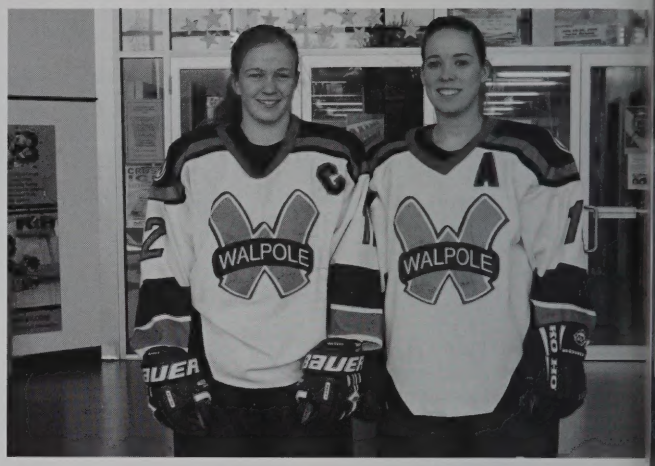
Girl's Ice Hockey

(Below) Junior Captain Dani Power and Senior Captain Meagh Sweeney. Missing Captain: Sukys

There is only one sport to play when the earth is covered in snow, when there is a chill in the air and when there is ice on the lakes: Hockey. At Walpole High, hockey has been around for a while but only for the males in the school. Girl's hockey, enjoying a recent surge in surrounding areas, has now become big in Walpole and last year the girls' created their first ever hockey team at Walpole High.

In their second year of play, they are looking to make some hockey history of their own at Walpole High. Last winter the Girl's Hockey Team had little expectations in their first season of play. Many of the players were inexperienced and first time skaters. However, the girls overachieved and went on to become a .500 team with a record of 10-10. These 10 wins were against JV teams, the 10 losses against varsity.



This year the Girl's team has decided to make the jump from JV to a varsity level team. This choice has been criticized by many, however Coach Judy Westgate felt that it was the right move.

Westgate is sure that the girls will rise to the challenge. And she is determined to teach the athletes skills and give them the opportunity to meet the team's goal of improving throughout the year.

"If everybody keeps a positive attitude we are sure to have a great season." - Meaghan Sweeney

2006 Girls Hockey

The Rebels showed signs of early potential by beating the perennial power Framingham Flyers for the first time in 20 meetings, or in a layman's terms, a decade.

Boys Hockey

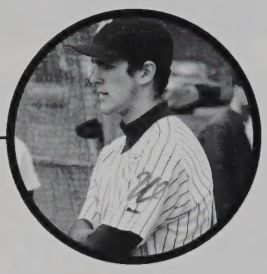
Despite losing two all star defensemen, an all star winger and a whole line of forwards, the Rebels have found their way to the top of the Bay State League.

Rebels Make Tournament

By winning 4-1 in the Flyer's house, and dominating the entire game, the Rebels had offically started their run. The Rebels carried the winning momentum into another town that has coasted through Walpole for many years: Milton. As a matter of fact the Wildcats have had the Rebels' number since the mid 90s as well. But the Rebels came out on top despite missing goaltender Mitch Mortali. The Rebels' next game would be another true test of their abilities. They went to Franklin to see if they could compete with one of the premier teams in Division II and did exactly that.

In the Mike Milbury Memorial Tournament Walpole cleaned up Medfield on the first night of play.

The Rebels hoisted the cup after the impressive 6-1 victory in the championship game over rival King Philip, due mostly to the goals by Matt O'Brien and Shawn Beliveau.



One of Top Five Teams in State

Throughout much of the season this team led by Captains, Senior Mike Cuqua and Junior Sean McDermott, the team was ranked as one of the top teams in the State. Unfortunately, the Rebels were dealt an early blow in their quest towards a state title, being eliminated early in tournament action. Despite the loss, Coach Tompkins has been happy with the overall play of the team, citing the teams durability and the consistency of the pitching staff. Both Cuqua and McDermott, along with senior Tim Sweeney haveing been having a lot of success at the plate. Seniors Conor Crimmins had the slot at second and Dan Drinkwater played the field well.

Like many of their fellow spring teams, the Softball team also made the Spring Tournament. The girls got by Stoughton (4-1) in the preliminary round of tournament action. Unfortunately they were defeated by Franklin in a tight 2-0 loss in the first round of the tournament. The girls went into the tournament with high hopes. They had beaten many of the tough teams in the league.

Rebel bats at it again.

This is a team with a variety of athletic ability and talents, and almost every girl on the team made a contribution.

Sophomore Kim Cunniff was not only dominant at the plate, but also on the mound. Cunniff was one of the top pitchers in the league. Christina Sergi returned to action after the Milton game, gave the team more depth in the pitching rotatioin. With many talented underclassman, the team should return to it's winning traditions next season in search for the state title.

Although the overall record of the team was not stellar there were many outstanding individual performances. Among the league leaders were Bay State All-Stars Junior Mary McAvoy, and Sophomores Kate Bethoney & Jess Papirio. The highlight of the season was the win over Milton which came down to the 4x400 relay race. The team was led by captains Brianne McDonough, Katie Mucciarone and Nicole Eckart. New seniors to the team Molly Thornton, Emily Rockwood, Caitlan Johnson and Michelle Casto were great strengths to the team, especially in the field events. The team will miss all seniors.

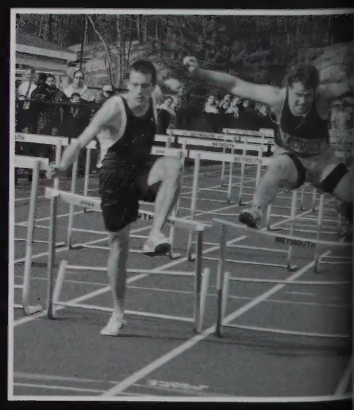
Boys Spring Track

The 2006 season was that of mixed emotions. Although there were many individual standouts this season, often the team could not pull out the victory. Some of the individual standouts this season were Steve Cain running a spectacular mile in a time of 4:48, Tony Le having a perosonal best in both the 100 meter with a time of 12.00 and a state qualifying throw in the javelin of 153'. Mike Zampi continued to dominate the mid-distances.

Kevin Day
Day is one of the seniors that will be missed for his dedication and sportmanship.

There were also outstanding performances from many of the underclassman, especially in the middle and long distances. The coaches were very happy with many of the performances, but they also acknowledge there are still many gaps to fill on the team. Despite losing so many talented seniors, there is a large group of talented freshman, as well as sophomores and juniors who are continually improving. The future of this team looks very promising.



2006 Spring Track Team

Run...Jump...Throw

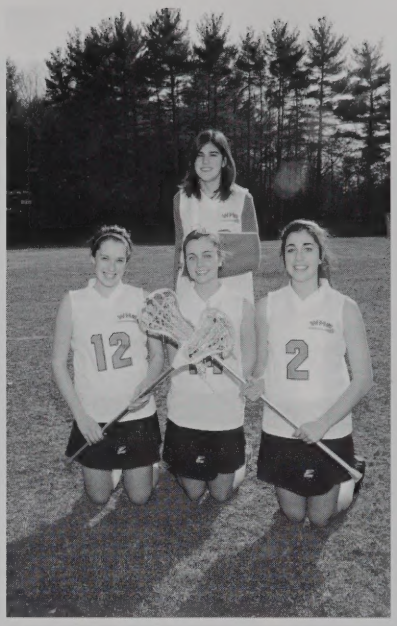
Although the team will be graduating a very talented group of seniors, the coaches are very excited about a group of freshman who mirrors the graduating seniors back when they were in the ninth grade. There is a lot of talent and depth in all the underclassman and the boys team should have a great future ahead. Some of the outstanding underclassman include Adam Scipione, Rob McCarthy, Mike Quintanilla, Ryan Sullivan, Kevin Liang, Chist Lotsbom, Nick Mucciarone, Eric Flaman, Mike San Filipo and many, many more.

Future of the Jumps?

Freshman Mike Quintanilla has proven to be an outstanding addition not only to the track, but to the jumping events as well.

Captain Tony Le

High jump was just one of Tony's areas of excellence. He was also a state qualifier in the javelin with a toss of 153', as well as a force to be reckoned with in the sprints.



Excellent Show in State Tournament

The girls had an outstanding season capped off by tournament action. The team led by senior captains, Lauren Menno, Lisa Connolly, Meg McLean and Keri Murphy were unfortunately out played by Norwell in the semi-finals of the tournament. The real question is where they outplayed or was it the horrible spring weather? Some key wins this season came in a huge romp over Natick, a victory over nemesis Norwood and a tromping of Milton! Many key players have yet to graduate and the state title is easily in the reach of the team next season.

In addition to the captains, the team was also led by seniors Darby Webber, Alex Brown and Hillary Zysk.

2006 Girls Lacrosse

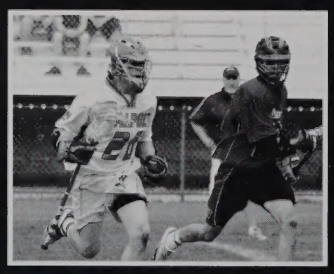
Boys Lacrosse

The 2006 spring season proved to be a fantastic year for the Rebels. They began their season with one of the best records to date and easily made their way to the State tournament. The road to the tournament was not easy, the team faced many great challenges beginning with Framingham, a team that Walpole has never beat, well that was about to change! From then on the team was on a roll. The team went on to win stunners against undeafeted Mansfield and then win again over Newton North. This team was wowing all in the Bay State League.



Rebels ready for action as always.

The team with a record of 15-3 was seeded third behind Wellesley and Medfield respectively. In the first round the team went on to defeat Milton with a score of 5-4. The team again handed Mansfield a loss with a commanding win of 12-8 in the quarterfinals. Unfornately in the semi-finals the Rebels lost to Medfield 10-8. Despite the loss, the team has proven they are not only one of the top contenders in the Bay State League, but also in Division 2.

2006 Boys Lacrosse Team

A team of great depth and talent.

All the right moves

In addition to the three captains, the team had a great deal of talent among it's other seniors including John Corcoran, John Murphy, Bobby Hennessey, Brian Donnolly and Mike Maloney. Although the team is graduating many talented players, there are many promising underclassmen ready to fill their shoes.

Girls Tennis

Underclassmen keep team in it

"The girls are able to play anywhe on the court, and hit almost a shot," said Powers.

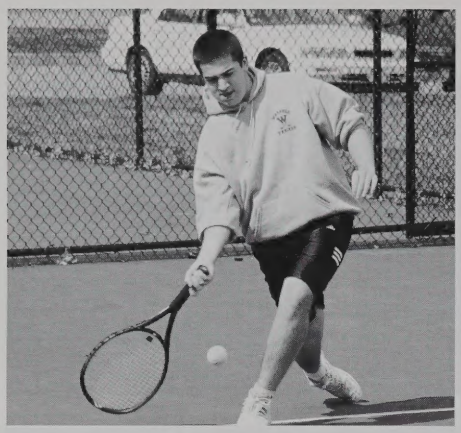
The team has shown great improvement in the last year. While they struggled to make the tournament last year, they easily won the ten games that were needed to enter the tournament. Unfortunately the team was handed an early loss in the preliminary round to Falmouth who defeated the Rebels with a score of 4-1. The team was led this year by juniors Amy Shaw, Kim Betzner, and Marissa Goba. Playing singles, Goba and Betzner combined for a perfect 10-0 record in the teams first five matches. Shaw was absolutely the team's ace this season. It was the strong play by the doubles players that helped secure the teams outstanding record. Ninth grader Carolyn Cawley paired with senior Rachel Waitikus have proven to be a formidable pair in first doubles. The second doubles team consisting of juniors Erin Teich and Taylor Anchakaitis also started the season off perfectly.

Coach Powers giving his team a pep talk before the opposition arrives. Powers has been very pleased with the teams success.

Right: Mara Dold
Mara is just one the many underclassman returning next year that will assure the teams success.

Coach Powers with Emily Hrenchek, Amy Shaw, nad Rachel Waitekus

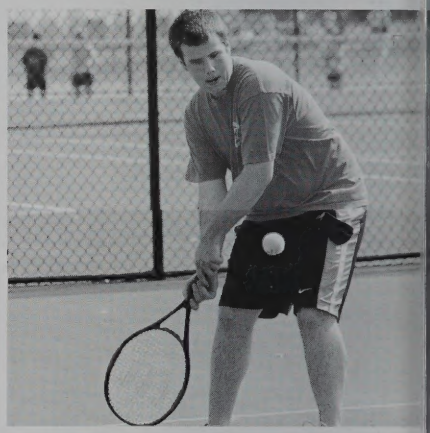
2006 Girls Tennis

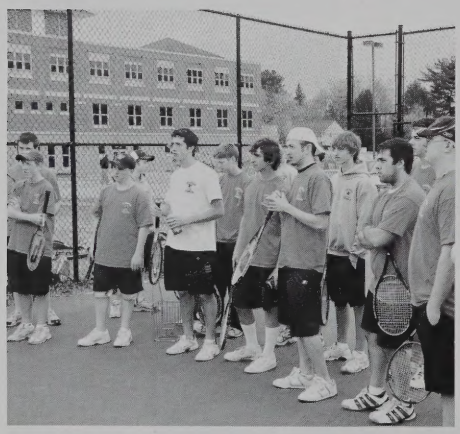


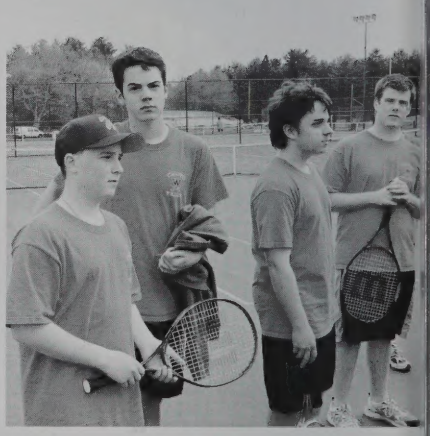
Sophomore Dean Cohn has emerged as the teams number one player. Cohn, along with Max Bouzinov are responsible for competing against many of the top players in the league.

Boys Tennis

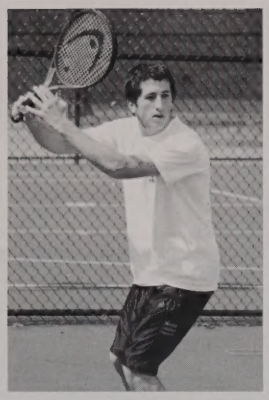
Team surprises everyone, including themselves, by making it into tournament action this year.



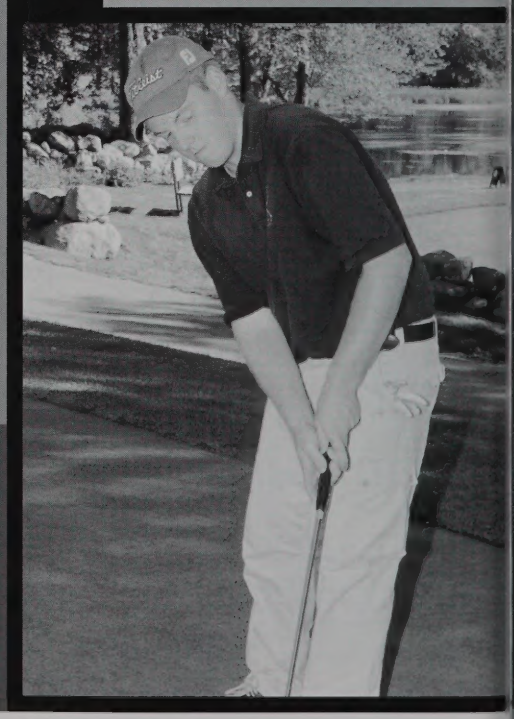




The team handed a loss to King Philip in the prelimary round of tournament play with a score of 3 - 2. Unfortunately North Attleboro defeated the Rebels in the first round by a score of 5-0.

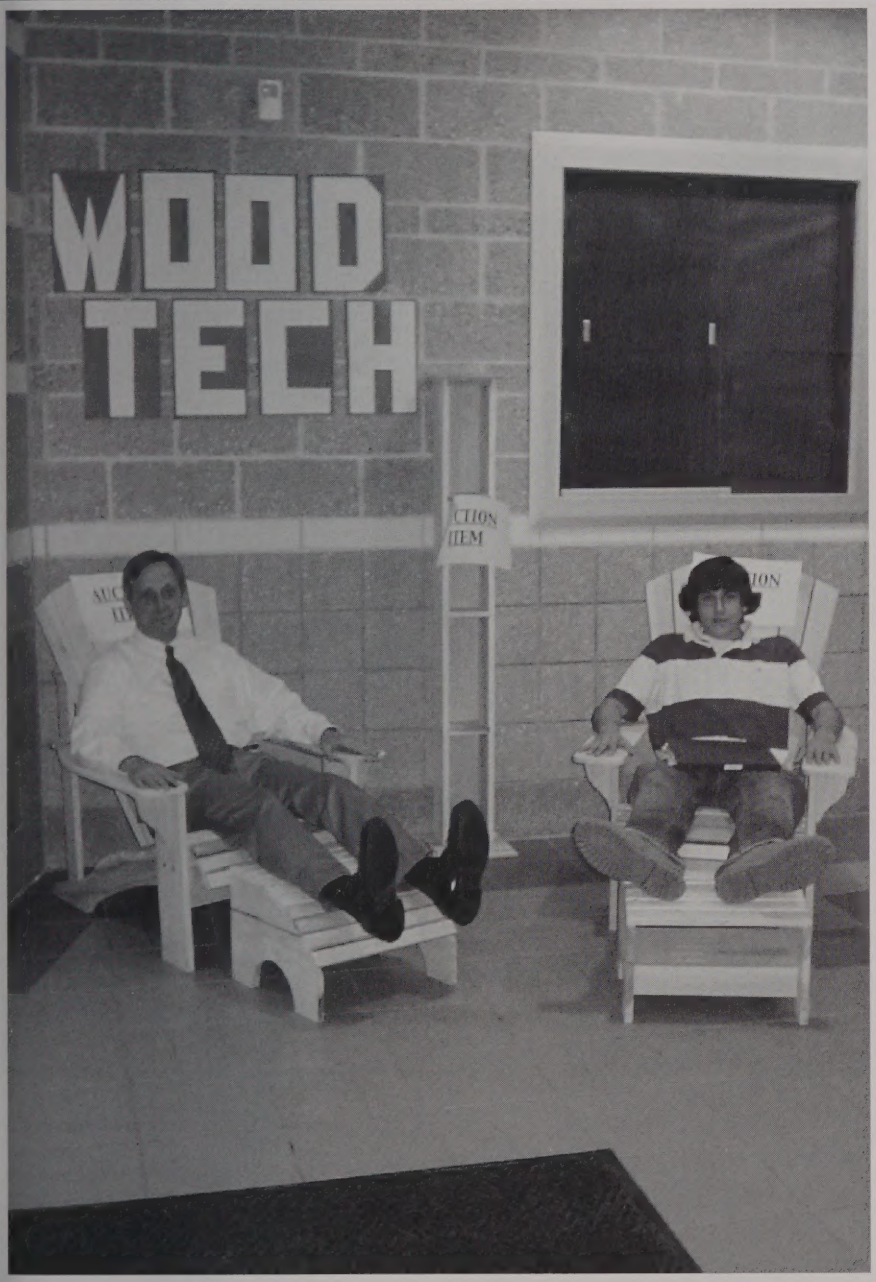


Best season in years for the Boys Tennis Team. The young team was led by Seniors double players John DeNapoli and Rob Vanasse.



2005-2006 Faculty & Staff

'We think of the effective teachers we have had over the years with a sense of recognition, but those who have touched our humanity we remember with a deep sense of gratitude.'



All members of the faculty and staff take great pride in their relationships as teachers, mentors, coaches and friends to many students. At the close of this year we say good-bye to three outstanding educators - Mr. Toby Hubbard, English, Mr. Jim Erker, Social Studies & Athletic Director, and our Principal, Dr. Frank Sambuceti. The yearbook staff would like to thank both men for their outstanding years of service to hundreds of students, both past and present.

Hurricanes ravage the Gulf Coast region in the fall of 2005, posing an unprecedented test of the United States federal emergency response efforts. Hundreds of lives are lost and thousands are left homeless in the wake of Category 4 Hurricane Katrina, followed by Rita and Wilma. The tragedy spurs contributions of money, talents, homes, food and more in an attempt to raise spirits and rebuild the area.

RISING FROM THE STORMS

August

25 Hurricane Katrina strikes Florida.

28 Mandatory evacuation of both New Orleans and Mississippi is ordered as Katrina becomes a Category 5 storm in the Gulf of Mexico.

29 Downgraded to a Category 4 storm, Katrina hits land. 1.3 million homes and businesses lose electricity in Louisiana, Mississippi and Alabama. 30 levees are breeched, flooding New Orleans and leaving 100,000 people stranded. After slow government response, civil unrest and looting begins.

31 President Bush surveys the damage.

September

1 30,000 National Guard troops are deployed. Gas prices spike to as high as $5 per gallon.

2 President Bush visits Louisiana and signs a $10.5 billion relief bill. Nearly 154,000 evacuees arrive in Texas.

4 The New Orleans Superdome is evacuated.

6 President Bush and Congress pledge to investigate the flawed disaster response.

9 Government-issued debit cards are distributed to evacuees. The program fails and is ended days later.

12 Michael Brown, head of the Federal Emergency Management Agency, resigns. Flooding is down to 50 percent in New Orleans.

14 New Orleans Mayor Ray Nagin announces a phased repopulation plan.

15 New Orleans begins to reopen. Katrina is named the most destructive hurricane in U.S. history.

20 Louisiana Governor Kathleen Blanco declares a state of emergency as Hurricane Rita strengthens off the coast.

22 Rita hits the Louisiana coast and heads for Texas.

23 Thousands evacuate eastern Texas and the 9th Ward of New Orleans floods once again after levees are overrun.

October

24 Hurricane Wilma hits southwest Florida.
